

## REMARKS

Reconsideration of this application is respectfully requested.

The Notice of Drawing Inconsistency with Specification states that Figures 7A and 7B are listed in the Brief Description of the Drawings, but only Figure 7 is shown in the Drawing.

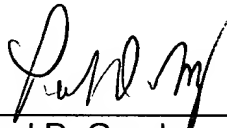

The Brief description of the Drawing has been amended at page 5 to state: "Figure 7 shows a flow diagram...". It is submitted that this amendment cures the inconsistency.

It is respectfully submitted that this amendment makes the drawing consistent with the specification and it is respectfully requested that this amendment be entered.

Respectfully Submitted,
